

# 2025 Annual Meeting Staff Activity | Science Simplifier

Source website: <https://test.mbirি.net/>

## A. Group up (2-3 people), working alone ok too:

- Draw a 'ticket' for Science Simplifier research topic

## B. Next Select Your Challenge:

### Challenge 1: Can you make a visually-appealing FaceBook post in under 30min?

- MUST have laptop & WiFi; open web browser to <https://test.mbirি.net/>
- Locate and select a  **Facebook Post Drafts** from your research topic
- Use Canva to create a post with graphics & text for general community audience
  - Canva login: [mbiri.rapidcity@mbiri.com](mailto:mbiri.rapidcity@mbiri.com) pw: Rc605\$791\$1209!
- Email your Fb post .PNG image & text to [mbiri@mbiri.com](mailto:mbiri@mbiri.com) to share

### -Or- Challenge 2: Can you add some humor/improvements to YouTube scripts?

- Locate  **YouTube Video Script** from print materials provided in folder
- Assign readers to the YouTube script text (make notes)
- Practice scripts & add a little humor or improvements to the scripts (make notes)
- Share out to whole group your dialog -OR- have someone record (just for fun) on your smartphone & text video to your office supervisor

## C. Teams that complete the challenge before meeting adjourns are eligible for a prize!

## D. Finally, share feedback about the Science Simplifier
